## Good From the Inside Out: Preventing Fraud & Embezzlement At Your Credit Union

Tuesday, May 17, 2016

**Summary:** We've all seen the recent headlines about fraud in our industry and wonder: How did this happen? We'll explore two case studies to breakdown what goes wrong when insiders are dishonest and identify the steps you can take to safeguard your credit union. In addition to insider fraud, we'll also cover emerging topics like EMV, internal audit, cyber security and host a roundtable discussion where you can get answers to your questions about managing risk.

**Who Should Attend:** CEOs, CFOs, internal auditors, branch managers, anyone interested in risk management and fraud prevention.

**Cost:** \$399/person, drops to \$700 if attending both days
