

Opportunities are decisions that need to be taken, and when taken, the results can be windows that let you see beyond your expectations.

Never let the odds keep you from doing something that you want to do.

When you push forward without fear, it's amazing how quickly a challenge can become an opportunity.

Never let fear decide your fate.

The thing about an opportunity is it's never lost – someone will always take the one you didn't.

A setback is a setup for a comeback.

It's not who you are that holds you back from doing something, it's who you think you are not.

Worry can be like sitting in a rocking chair – it gives you something to do but it gets you nowhere.

Defeat is often a temporary condition, but giving up makes it permanent.

Do what is right, not what is easy.

There is no failure except in no longer trying.

Failure isn't falling down; failure is staying down.

Some of the most successful people in business, entertainment, and sports fail. Some numerous times, but the one thing they have never done.....given up!

Change is hard but comfort can be a trap.

One of the most important steps you can take toward achieving your greatest potential in life is to learn to monitor your attitude and its

impact it has on your work performance, relationships and everyone around you.

Choose your own ATTITUDE; don't let someone choose it for you.

The best of the best in life believe in themselves; it's proven that when your CONFIDENCE goes up your competence goes up.

The whole world can believe in you, but if you don't believe in yourself nothing else matters.

DETERMINATION is focus to the finish.

Every accomplishment starts with the decision to try.

DESIRE is the key to motivation.

Your desire to succeed should be greater than your fear to fail.

FAITH makes things possible...not easy.

Have faith.

A negative mind will never give you a positive life.

PERSEVERANCE – Whether you think you can, or think you can't, you're right.

“Nobody can go back and start a new beginning, but anyone can start today and make a new ending.” Marie Robinson

NEVER GIVE UP
