The negative balance in Education Committee is due to a \$2,000.00 deposit for Managers Conference, also Cyber Security training. Ray will look into registrations received to offset Cyber Security training and report back. (Ray reported back by email on 5/15/23 and there were registrations received in the amount of \$1,050.00, to adjust the negative balance to -\$2,784.23 which was reported under Annual Meeting)

- j. Annual Meeting Committee: Julie Johnson–All went well, so far, there are good comments coming through. We will be looking at different ideas, one idea is to continue to have credit unions donate door prizes for the banquet drawing, but to be entered into the drawing the person would purchase tickets to win. The proceeds could be given to a charity. Looking into a Venmo account and getting an app for the event. We do not have the actual attendance numbers, but registration was 432. In discussion, it would be good to keep track of registration and attendance numbers. Also, look into ways to add different awards and how we get better participation from all credit unions in our chapter.
- k. Governmental Affairs: Katie Narhi – The fundraiser at the chapter annual meeting was great. GAC was last week in Lansing and Dawn Taylor from the committee was present, she was included in the 5 attendees representing 3 UP credit unions. We are looking into our own PAC the Pub event this fall, in conjunction with a 906hYPe, young professionals event. Discussed the possibility of another legislative breakfast and also had a discussion of getting more information out on the Plush fundraisers and hearing from different credit unions that have sales success and sharing what they do. Saykllys chocolate bars sales and bringing that back. Talked about different ways to communicate about fundraisers, awards, etc. Also, Legislative Representative Brenda Carter, is interested in coming to the UP to speak.
- l. 906 hYPe: Dylan Bloniarz – Discussed trying to organize a Young Professionals event in the fall for UP Young Professionals. Also looking at 906hYPe getting involved at the state level.
- m. League Consultant: Tony Zorza – Gathering more information on what type of training we would be looking for. Also looking for information for other credit unions that are looking for commercial lending training. AC&E rooms are booked but if anyone needs help, reach out to Tony and the Education Dept can help. Executive Summit is in September. HR Conference overlaps with UP Managers Conference.
